

Dunn County LWCD No-Till Drill Rental Program

Benefits of No-Till

- Improved Soil Health
- Increased Moisture Retention
- *Reduced Sheet Erosion*
- Increased Profits per Acre
- Increased Carbon Sequestration
- Reduced Fuel & Labor Costs

The Dunn County Land and Water Conservation Division (LWCD) has a Great Plains Model 1006NT 10' drill available to rent for the purposes of seeding conservation practices, planting (small acreage) cropland fields, and renovating pastures. Requires a 75 HP tractor with hydraulics.

Rental Fees

1. \$100 Security Deposit (in order to receive a full refund of the \$100 security deposit, the seed boxes must be completely empty and vacuumed).
2. Flat rate of \$50 for 2 days of use or \$100 for 4 days of use plus an additional \$8.00/acre to be determined by the acre meter on the drill.
3. If the no-till drill is used beyond the original 2 or 4 day use period, an additional \$200 will be charged.
